

Millington United Methodist Church
Annual Church Conference
November 6, 2016

At 1115 am District Superintendent Dick Wisdom greeted the members in attendance.

D. S. Wisdom asked about the accomplishments of the church this last year. Van Mathre told him about the ladies bible study that meets every Thursday morning. It has grown from 4-5 in attendance to 14 each week. Along with our own Methodist ladies, we have members from Catholic, Lutheran and Baptist backgrounds. This gives us a broader perspective on the bible.

Pastor Kirk told about the 4-H group that meets in the social center monthly. We have also held two large rummage sales (including lunch), and continue to have a group of 6 to 8 ladies sewing little dresses twice a month. The dresses have been sent to several overseas mission fields and two areas in the states. Over 1500 dresses have been sent out with missionaries...

Pastor Kirk presented the list of nominations to the board for the upcoming year. A vote was taken and all voted aye. Motion carried.

Pastor Kirk has requested that his compensation remain the same as in the past. He asked that we keep it at \$14,400. A motion was made by Irene Brown, seconded by Fred Morel. All voted yes in agreement to this and thanked him for his generosity. A vote was taken on the budget for 2017, it was accepted by consensus.

This meeting was concluded at 11:45 am with a prayer by D. S. Wisdom.
